PROFESSIONAL EXPERIENCE

Elumina eLearning | Chennai, India

Front End Developer (Contract)

Mar 2025 - Sep 2025

- Built responsive web pages and interface components using **Angular, TypeScript, and HTML/CSS**.
- Connected frontend forms and views to backend **REST APIs** to render dynamic data.
- Resolved UI bugs, updated styling, and improved page load times across mobile and desktop viewports.
- Implemented client-side form validation checks to ensure clean and accurate user input.
- Participated in daily standups, sprint reviews, and task estimation sessions to deliver **UI features** on schedule.

Landmark Group | Dubai, UAE

IT Executive

Aug 2022 - Nov 2023

- Configured, maintained, and repaired workplace desktop hardware, networks, and software applications.
- Provided direct technical support to staff, resolving hardware faults and network connectivity issues.
- Assisted the finance desk by testing payment terminals and documenting technical fixes for common system errors.

Gibraltar Technologies | Dubai, UAE

Technical Support Engineer

Jun 2020 - Feb 2022

- Resolved technical support tickets for desktop errors, operating systems, and network connections using ManageEngine.
- Created user accounts, configured software access levels, and maintained an updated IT hardware inventory.

TECHNICAL PROJECTS

Task Management Web App | MacEwan University | Edmonton, Canada

Lead Software Developer

Sep 2024 - Dec 2024

- Coordinated an 8-member team to design and build a task-tracking web application using **Angular**.
- Developed Angular components for the main dashboard, user login views, and task forms.
- Integrated screens with REST endpoints and ran basic SQL queries to verify PostgreSQL data storage.
- Tested user interfaces to resolve layout bugs and ensure user flows worked smoothly.
- Demoed project features and sprint updates to faculty and peers during scheduled reviews.

EDUCATION

MacEwan University | Edmonton, AB

Post-Graduate Certificate in Full Stack Web Development (GPA: 4.0)

Dec 2024

University of Salford | Manchester, United Kingdom

Master of Science in Technology and Innovation Management

Dec 2019
